A wonderful place to stay

Listen to what our guests have to say

★★★★★

"You just can't improve on perfection! Everything about Woodovis Park is wonderful, always a warm welcome from all the staff and nothing is too much trouble, great facilities and it's such a relaxing place I never want to leave! See you again soon..."

★★★★★

"This is the cleanest, friendliest caravan park that we have ever visited, which is central to all the most beautiful Devon countryside you could ever want to see. It's very small and the whole park is kept impeccably clean, but is left as natural as possible so you really feel like you are in the countryside & not a characterless park."

Michelle F, Nottingham

For six years running, we have been recommended by the AA and following the thorough annual inspection we have been awarded the Gold Award – 5 pennants, this is the highest possible grading.

Best of British boasts many of the best campsites, touring caravan sites and holiday parks in the UK. We are able to offer the kind of personal service and attention to detail that our guests deserve.

We are pleased to have been awarded Travellers' choice 2021 by Tripadvisor. Their Best of the Best list is drawn from the experiences of the best experts possible the real travellers who've been to our holiday park.

Warm & friendly

Perfect for families

Woodovis Park is a family run Holiday Park, situated in some of England's most beautiful countryside on the border of Devon and Cornwall.

An award winning 5 Star Holiday Park, Woodovis is set in an Area of Outstanding Natural Beauty and its 14 acres are nestled in a sheltered wooded position on the edge of the Tamar Valley.

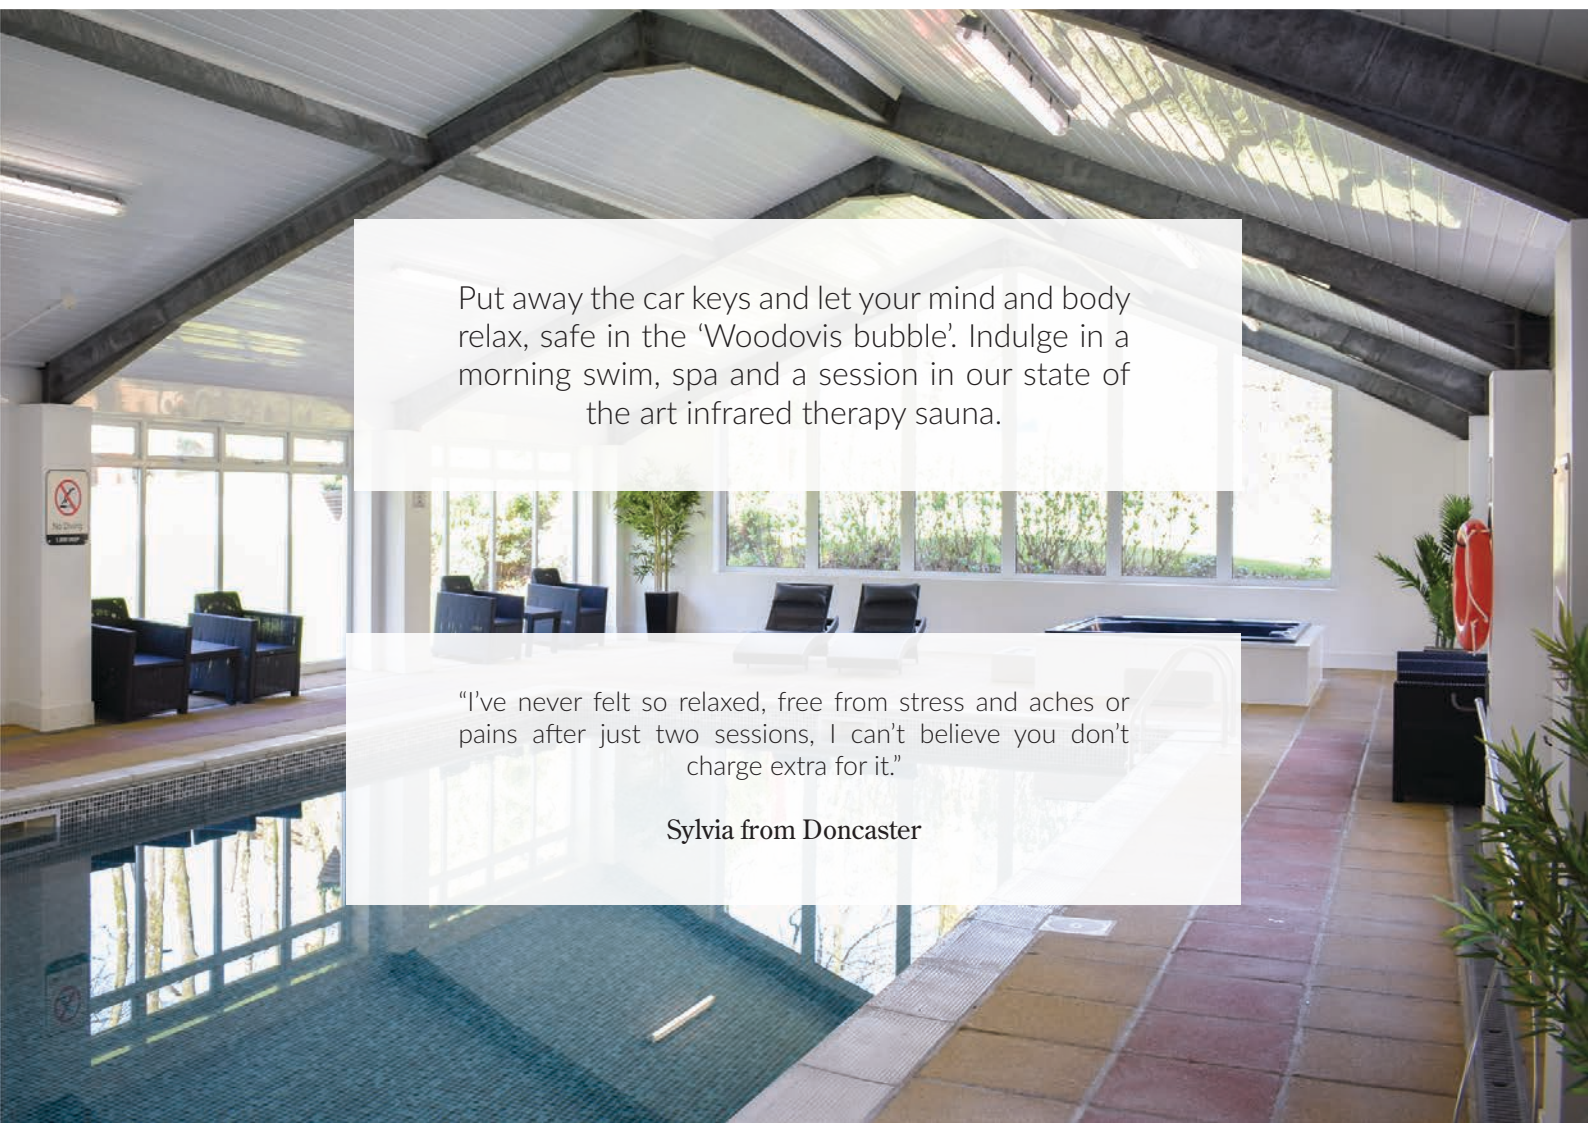

The park is ideally placed to explore the West Country with its stunning beaches or, closer to home, enjoy beautiful Dartmoor National Park with its abundance of flora and fauna and of course the famous Dartmoor Ponies and cream teas!

Above all, you can be guaranteed a warm and friendly welcome and enjoy a restful, relaxing holiday which is why so many of our visitors return as friends, year after year.

Pamper yourself!

— in our pool, spa & sauna!

Put away the car keys and let your mind and body relax, safe in the 'Woodovis bubble'. Indulge in a morning swim, spa and a session in our state of the art infrared therapy sauna.

"I've never felt so relaxed, free from stress and aches or pains after just two sessions, I can't believe you don't charge extra for it."

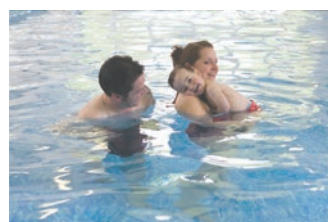

Sylvia from Doncaster

Plenty to do —

— whatever the weather

A morning cycle, followed by a walk to the pub for lunch and in the afternoon, a walk around the grounds and a dip in the pool!

Finish your day with a taste of our twice weekly hog roast and a glass of wine! Whatever your choice, you'll feel completely relaxed and rejuvenated after a few days at Woodovis.

A photograph of three children sitting on a red tractor in a park. A boy is at the controls, and two girls are sitting behind him, all giving thumbs up. The background is filled with lush green trees.

Safe & welcoming

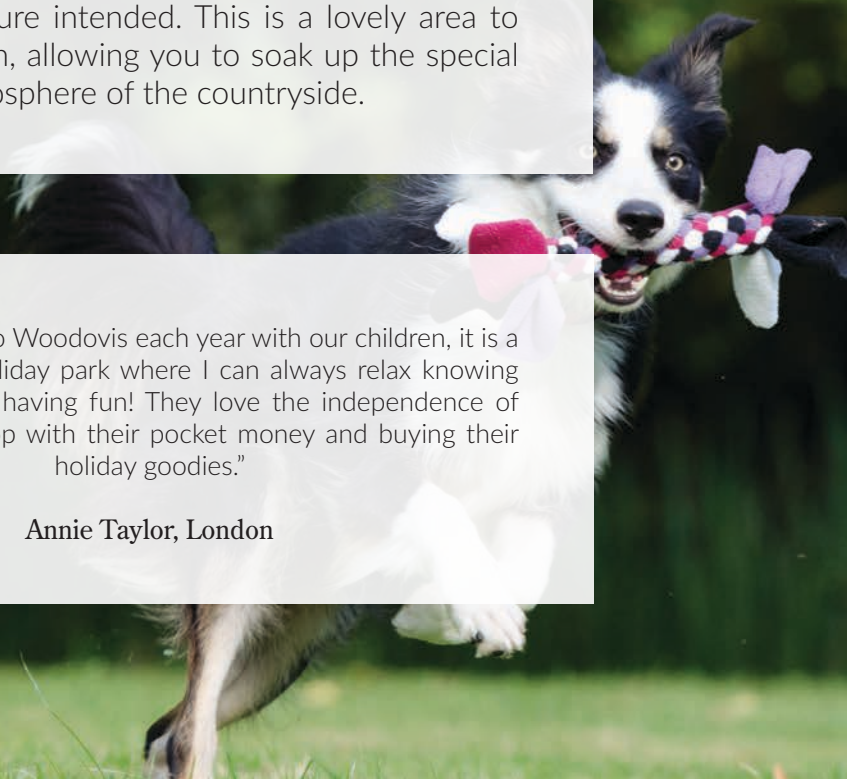

— for children and pets

Relax in the knowledge that your children are free to explore and play in a safe and natural environment. There's plenty of room to enjoy family games and to kick a ball with new found friends.

Our dog exercise area in the lower meadow is entered via a wooded walk through a tree plantation. This about an acre of land where your dog is free to run off the lead as nature intended. This is a lovely area to wander about in, allowing you to soak up the special atmosphere of the countryside.

"We love coming to Woodovis each year with our children, it is a fantastic family holiday park where I can always relax knowing they are safe and having fun! They love the independence of walking to the shop with their pocket money and buying their holiday goodies."

Out & about

— not far from Woodovis

Tavistock, our nearest town, is filled with unique boutique style shops, great cafés and restaurants. With an indoor Pannier Market and a regular farmers market it is so easy to while away a few hours.

Dartmoor National Park is the largest and wildest area of open country in Southern England, but it is so much more than that. You can access it easily on foot, by bike, on horseback or by car. It makes a fantastic day out for free!

Enjoy the Dartmoor Ponies and indulge in a cream tea in one of the historical villages or visit one of the many National Trust properties close by.

For the active there's a variety of off-road cycle tracks including The Tamar Trails, Drake's Trail and The Granite Way.

Canoe the River Tamar, go tree surfing or even indoor barn climbing. All of these activities are within fifteen minutes of Woodovis Park.

Further afield

Across the Southwest

A holiday to the West Country would not be complete without a trip to the seaside. Extensive white sandy beaches, small rocky coves, big rolling waves and small fishing ports. The choice is yours, north and south coasts are both within easy reach.

National Trust and English Heritage properties make a great day out whatever the weather; from King Arthur's Castle at Tintagel to Finch Foundry, still driven by water power. Cotehele House and Sir Francis Drake's Buckland Abbey, both with magnificent grounds, are close by too.

Indoor and outdoor days include; The National Marine Aquarium, Dartmoor Zoological Park, Pennywell Farm and Dingles Indoor Fairground Heritage Centre (the ghost train's really scary) all within easy reach. The Eden Project is a must to visit and The Lost Gardens of Heligan are amazing.

Luxury Caravans

A home from home

Enjoy a holiday in your own space, at your own pace, self-catering with plenty of home comforts.

Our holiday homes are immaculately cleaned and equipped to a high standard, with your beds made up ready for your arrival. With your own designated parking, just unpack your bags and put the kettle on!

We have a choice of four types of holiday home, some pet free for guests with allergies; all sleeping up to six people. All our holiday homes are fully heated and have full sized cooker and microwave, a flat screen TV/DVD and outside seating for dining alfresco. The Finch is our most affordable option but does not compromise on quality or comfort.

The Finch, Super Finch and Deluxe Finch have a double and twin bedroom, with the Super Robin having a double and two twin bedrooms. With more space, the Super Finch also has a bathroom attached to the main bedroom for your extra comfort. The Deluxe Finch is more spacious again with comfortable sofa style seating and comes fully centrally heated and double glazed with built in fridge/freezer. A travel cot or highchair is available to use free of charge. The cost of your holiday includes all your gas, electricity and bedding and free use of the facilities on the park.

A family of three (a woman, a man, and a young boy) are sitting at a white wooden table on a paved patio. The woman is wearing a striped shirt, the man is in a blue shirt, and the boy is in a red shirt. They are surrounded by lush greenery and a stone wall with a window. Woodovis Cottage

— A peaceful getaway with all the comforts of home

Woodovis Cottage is an ideal choice for the ultimate pampering with all the facilities of the Park on your doorstep.

It is a comfortable and cosy cottage that sleeps up to 3 people. There is a spacious super-king size bedroom (with TV) and a small single bedroom. Also upstairs you can enjoy a nice long soak in the bath which also has a shower over it.

As you would expect, it is fully centrally heated and doubled glazed, with a well equipped kitchen including a fridge, freezer, cooker and microwave. The lounge has a smart TV and a coal effect fire.

Outside you have your own private patio for eating alfresco, a garden to relax in and your own parking area. We would definitely recommend an early booking for Woodovis Cottage as it is extremely popular.

We have camping pitches for all types of tents and all types of camper.

Every pitch offers level ground, clean shower/toilet areas and unlimited use of our award-winning leisure facilities. Choose from two fields:

~ Top Field is close to all facilities and the children's play area

~ Tamar View Field backs on to the wooded dog walk and feels more secluded and spacious. (The furthest pitch is still only 300m from all facilities.)

If you're bringing your caravan or motorhome to Devon, make sure you choose Woodovis.

We're centrally located within easy reach of Dartmoor, the North and South Coasts and over the Tamar Valley to Cornwall. Pitches are level, well-equipped and excellent value while the award-winning facilities here are wide-ranging and exceptionally high quality.

Wherever you're travelling, make Woodovis your base for a while.

Glamping

Enjoy all the fun of camping without the packing up!

Super Pods come with a booth style table which converts into a comfortable double bed from where you can lie back and watch TV. Two foldaway camping beds are also included. (Sleeps 2-4 adults)

Our Standard Pod is slightly more basic with no beds or TV. (Sleeps 2 adults & 2 small children) All are equipped with electric socket, heater and lighting. Outside on the deck there's a table and chairs for dining alfresco and enjoying the night skies.

An Eco-Friendly holiday park

Our commitment to the _____
environment

It's easy to reel off green platitudes, but at Woodovis we try to make it a natural part of the way the business is run.

The beauty of our park and surrounding areas is one of the main reasons you come here – we want to sustain that for generations to come.

Small changes can have a huge impact on our environment – if enough people do them, and keep doing them every day. For a complete list of what we do, you can check out the 'Keeping it Green' page on our website, but here's a few of the steps we take to make Woodovis an environmentally friendly place.

- A shop stocked with local produce to reduce transportation emissions
- Care and maintenance to the environment and landscape
- Low energy bulbs and solar lighting
- Solar heated swimming pool
- Wide Variety of Recycling on site

We also opt in to the 'Green Tourism' scheme, in which our business is assessed by a qualified grading advisor against a rigorous set of criteria, covering a range of areas, like energy and water efficiency, waste management, biodiversity and more. We have been awarded Gold grading for our efforts on the park.
